

April 15, 2016

To Whom It May Concern:

It is with great pleasure that I write this Letter of Recommendation for Axtell's, Inc. Axtell's, Inc. was awarded the successful bid for a recent Airfield Pavement Marking Project at the Bowling Green-Warren County Regional Airport. Not only did these gentlemen finish the project ahead of schedule, they did an extraordinary job, and I was greatly pleased with the product they produced for our airport. Please consider Axtell's, Inc. when selecting a company for your next pavement marking project.

If you should have any questions at all, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Rob Barnett".

Rob Barnett, C.M.  
Airport Manager
