To Whom it May Concern:

It is with great pleasure that I write this Letter of Recommendation for Axtell's, Inc. Axtell's, Inc was awarded the successful bid for a recent Airfield Pavement Marking Project at the Macomb Municipal Airport. The crew handled themselves in a professional manner and they did an extraordinary job. They went above and beyond wherever they could in order to exceed expectations, and I was greatly pleased with the quality finished product they produced for our airport. Please consider Axtell's, Inc. when selecting a company for your next pavement marking project.

If you should have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "L. L. Cobb".
